Your User Name should have been notified via email. If you registered on the GoMembership database yourself you would receive an email automatically. If Swim Ireland added you to the GoMembership database they should have triggered an email notification.

If in doubt please contact Swim Ireland to confirm your User Name.

Note – Swim Ireland cannot see your password so will not be able to advise that, they can trigger the password reset process which is the same process that would happen if you click Forgot password yourself.

What is New Member on the login page for?

For new members of the organisation, they can self-register on GoMembership.

Club Administration roles have to be assigned by either an existing Club Administrator or an Administrator in Swim Ireland.

If a new member needs to be added to the GoMembership database they can do this themselves using the New Member feature or a Club Administrator can add them through the Club Area of the system.

When I have logged in I can't see the tiles I expect to see – how do I access them?

As a Club Administrator you should have tiles in the Member Area and the Club Area. Depending on your screen size and resolution settings you may need to scroll right and left to access the tiles you need.

Scrolling on a laptop or PC is provided through left and right arrows, on a tablet or touch screen this works by swiping across the screen.

GoMembership

This tile provides information about GoMembership providing our Terms and Conditions, Data Protection Policy, Privacy Policy, Useful Links and Contact Details for Azolve.

Home

This tile reloads the GoMembership solution and displays the Home page.

Be aware that if you are in the middle of making data changes on another page when you click the Menu button and choose the Home tile if you haven't saved the data changes you will lose them.

Help

This tile displays some FAQ documents for Members. This will be expanded at a later date but is currently aimed at Member assistance.

Logout

This tile logs you out of the GoMembership system and returns you to the login page.

How do I change my password?

At the top right of the screen is a setting button, beside your name, click the settings button to see a short menu.

Why is there a language option on the settings menu?

GoMembership can be dual language if your Governing Body has had this added. By default the language is set to English.

How do I administer my Club?

Use the tiles in the Club Area accessed either from your Home page or from the Menu.

GM-FAQ-0100122

What are each of the tiles in Club Area for?

There are currently 3 standard tiles in the Club Area of GoMembership. If Swim Ireland has signed up to additional functionality there may be more tiles visible. If this is the case refer to the FAQ appropriate to those tiles.

Club Profile

This tile is where you manage your Club's:

- Profile
- Affiliation
- Members (including Family groups)
- Credentials

Teams

This tile is where you manage your Club's Team(s):

- Profile
- Members

Data Import

This tile is where you import new members to your Club as a bulk import.

Further information on the functions within each tile are provided in the appropriate FAQ documents.
