

ANI Declaration and Application Form (July 2023) <u>Section 1: Applicant Declaration</u>

Please note this Section does not need to be shown to the person validating your identification documents but must be included with your application

You are applying for an ANI Enhanced Disclosure check. This will tell us whether you have a criminal record, caution, or whether any other information about you held on barred lists may have a bearing on your suitability.

Any information which we receive will be treated confidentially and will be discussed with you before we make a final decision. After that decision is made the information returned from ANI will be destroyed.

You must read the following information and make the declarations where required.

You have applied for a role which falls within the definition of an "excepted" position as provided by the Rehabilitation of Offenders (Exceptions) Order (NI) 1979: therefore ALL convictions including SPENT convictions that are not protected by the 2014 amendments MUST be disclosed. The disclosure of a criminal history information will not debar you from participating unless Swim Ireland considers that the information renders you unsuitable for the role applied for; the information you provide will be considered in line with the process in the Swim Ireland Vetting Policy. If you are currently facing prosecution for a criminal offence you should also bring this to our attention given the "excepted" nature of the role.

You must answer the following questions (circle your answer):

- Do you have any convictions/cautions that are not "protected" as defined by the Rehabilitation of Offenders (Exceptions) (Amendment) Order (Northern Ireland) Order 2014?

 YES / NO
- 2. Have you been barred by the Disclosure and Barring Service which would prevent you from working with children and/or vulnerable adults or the subject of an investigation alleging that you were the perpetrator of adult or child abuse?
 YES / NO

If you have answered yes to either 1 or 2, please state below the nature, date(s) and sentence of the offence(s), date prevented from working in this area or allegations

You may provide any other information you feel may be of relevance such as:

- the circumstances of the offence/caution/incident
- · a comment on the sentence received
- · any relevant developments in your situation since then
- · whether or not you feel the conviction has relevance to this post.

The Swim Ireland Case Management panel will use any information you provide when considering your case. If you require further information on what information to disclose please contact NIACRO for further advice Tel: 028 90 320157)

I understand that I must also complete an application for an ANI Disclosure Certificate (Section 2 & 3 below) and that this check must be carried out before my role or application can be confirmed. This has been explained to me and I am aware that spent convictions/cautions may be disclosed. I declare that the information I have given is accurate.
