

# **Briefing Note: Social Media settings**

## Snapchat (minimum age is 13; under 16 requires parental consent)

Snaps are only shown for a brief time and seem to be gone, however, screen shots can be taken, and user will be notified.

## Instagram (minimum age is 13; under 16 requires parental consent)

You can REPORT **an image** by clicking on the ... (3 dots) and choosing REPORT. You will then be asked to choose why you wish to report the image.

You can REPORT **an account** in the same way by going to the user profile and selecting the ... (3 dots) and choosing REPORT. As seen in the image, you will be asked to state your reasons.

You can BLOCK someone, and they won't be notified:

Tap their username and open their profile. Tap ... (3 dots) in the top right corner Choose BLOCK Choose BLOCK again

Set account to Private (see image): Click settings icon and scroll to private account. Slide to the right to turn on this option.

#### Facebook (minimum age is 13; under 16 requires parental consent)

Set who can see Facebook posts and make contact in the News Feed Preferences > Privacy:

Check any profile image used is appropriate and doesn't give away personal details e.g. school uniform.

Turn off location settings so that any checkins or photos do not show your location. Change the access to NEVER by entering the Settings > Privacy > Location Services section of your PHONE not the APP.
