

Trinity Water Polo Club – Head Coach Vacany

Head Coach Job Spec:

We are seeking an enthusiastic and skilled coach to lead our Men's Water Polo team, which consists of a diverse mix of players, with approximately 40% being beginners. As an experienced water polo coach, you will play a pivotal role in fostering a competitive yet inclusive environment for our athletes while ensuring their safety and well-being. Here's an overview of your responsibilities:

Responsibilities:

Player Development: Develop and implement a comprehensive training program that caters to both beginners and experienced players. Focus on skill development, fitness, and team dynamics to help players of all levels improve their performance.

Team Building: Foster a positive and inclusive team culture where all players feel valued and motivated to give their best. Keep in line with the college's code of ethics and good practice.

Game Strategy: Strategically plan and adapt game strategies, taking into account the skill levels of the players. Prepare the team for various game situations and opponents, making sure that beginners are integrated effectively.

Requirements:

- Level 2 Water Polo Coach Qualification (Swim Ireland) & Swim Ireland Coaching License.
- Previous coaching experience in water polo (advantage).
- Ability to work with players of varying skill levels, especially beginners.
- Excellent communication and leadership skills.
- A commitment to promoting a safe and inclusive environment.
