

2024 EUROPEAN AQUATICS CHAMPIONSHIPS (50m)

17th – 23rd June 2024, Belgrade, Serbia

SELECTION POLICY (Swimming)

Introduction

This Policy provides four avenues by which an athlete can be selected to the Ireland National Team ("Ireland National Team") for the 2024 European Aquatics Championships (50m). These avenues ("Selection Stages") are described in further detail below

This Policy will only apply if:

- 1. The 2024 European Aquatics Championships (50m) are held on the existing dates of 17th June – 23rd June 2024 and/or are held in the existing location of Belgrade, Serbia. If there is any postponement of the 2024 European Aquatics Championships (50m) beyond this period and/or a change of location, a new Selection Policy will be required*
- 2. The 2024 Irish Open Championships are held on the existing dates of 22nd – 26th May 2024. If there is any postponement of the 2024 Irish Open Championships beyond this period, a new Selection Policy will be required*

This Policy sets out the Swim Ireland process for selecting athletes, additional coaches and/or team managers to:

- (a) be considered eligible for nomination for selection;*
- (b) be nominated for selection and;*
- (c) be selected to the Ireland National Team for swimming at the 2024 European Aquatics Championships (50m) in Belgrade, Serbia*

Athletes, additional coaches, sports science/sports medicine practitioners and team managers must satisfy certain criteria to be considered eligible for nomination for selection

In addition to the criteria for eligibility for selection, there are minimum qualification standards which an athlete needs to meet to be considered for selection by the National Selection Panel. At the completion of the 2024 Irish Open Championships, for those athletes selected to one or more National Team/s, the following priority tiering system will be intrinsic to athletes and home programme coach planning, preparation and focus with regard to summer international benchmark meet status:

- 1. 2024 Olympic Games*
- 2. 2024 European Aquatics Championships (50m)*

Where an athlete is selected to more than one National Team from within the two listed above, the priority tiering status should be considered in terms of preparation and focus

The role of the National Performance Director is to compile the names of athletes, additional coaches, sports science/sports medicine practitioners and team managers who meet the criteria for nomination for selection and to make recommendations to the National Selection Panel (athletes) and the Performance SLT (additional coaches, sports science/sports medicine practitioners and team managers)

The National Selection Panel is the expert panel, as defined in the 'Swim Ireland Selection Panel Terms of Reference' which selects athletes to the Ireland National Team

The Performance Senior Leadership Team (SLT) comprises of the National Performance Director, the Head of Performance Pathways & Operations, the Head of Physical Preparation, the Head of Performance Analysis, the Performance Manager and the three National Centre Head Coaches, and is the expert group which selects additional coaches, team managers and sports science/sports medicine practitioners to the Ireland National Team

European Aquatics is the European federation/governing body for aquatic sports. World Aquatics is the international federation/governing body administering international competition in aquatic sports. European Aquatics is affiliated to World Aquatics
