### *What should I eat?*

Athletes are encouraged to eat healthy at all times. Don't experiment with new food in the days leading up to a competition or on the day itself

# ADVICE FOR SWIMMERS

## *The day before*

Eat as normal, ensuring you drink plenty of water throughout the day.

## *Morning of the competition*

Have a good breakfast before you leave home; porridge, Weetabix or another wholesome cereal, along with juice or a smoothie. If you are travelling a distance, be sure to have some fruit/yogurt for the journey.

## *At the competition*

Swimming pools tend to be quite warm so it is important to remain hydrated throughout the day to avoid becoming tired or unwell.

Water - bring your water bottle everywhere; sip small amounts at regular intervals. If you don't like water add a cordial or squash to give it some taste.

Food - eat small amounts throughout the day but not too close to your race!

# ADVICE FOR SWIMMERS

## *Is there anything else I need to know?*

*Yes, there are a couple of important things you need to remember:*

1. You will be using a staircase to access the changing rooms and to line up for your event. These can become wet and slippery at times. Be sure to dry off before using the stairs and always wear footwear, hold on to rails and walk.
2. Bring a small towel to line up with you to dry off after your race and before you use the staircase.
3. If you have any valuable personal belongings such as a phone, tablet or money please leave them with a responsible adult or if possible at home.
4. Ensure you report to the line-up area in time for your event, listen carefully for announcements and watch the other events.
5. Cheer on the other swimmer, they might be nervous too!
6. Have fun and be proud, it is a great achievement to represent your school at this national event.

# ADVICE FOR PARENTS/GUARDIANS

You play an important role leading up to and on the day of any event your child is taking part in. To ensure you have the information you need to have an enjoyable experience we have put together a few tips:

1. Up to date information - check our website and Facebook page in the lead up to the competition for updates and changes.
2. Travelling to the venue - allow some extra time to ensure you arrive approx. 15 mins prior to warm up.
3. Food and drink - cooler bags are great for keeping your food cold throughout the day. Bring plenty of water, leave some in your car or freeze a bottle in advance to keep it cool. Don't forget to pack enough for yourself and other family members. There is a café on site, which will be open throughout the day.
4. Accessing changing rooms and line up area - volunteers will be on hand to direct you to changing areas. Only swimmers and volunteers are allowed access to poolside at all times so ensure your child knows where you will be sitting when they have finished their warm up or event.
5. Supporting the swimmers - Irish Minor schools is an important and exciting event for swimmers to take part in. Be sure to cheer for all swimmers and provide encouragement to your own child.
6. Need any help? - Volunteers will be on hand during the event if you need assistance. There will also be an information desk and shop underneath the scoreboard as you enter the spectators' area. If your child has special requirements (i.e. hearing or sight impairment) please contact a volunteer at the poolside door during warm up.
