

## **Join the Coaching Team with the NAC Swim Club**

### **About The Club:**

The NAC SC is a vibrant swimming club, which was established in 2004. The team is based out of the National Aquatic Centre, Dublin. The NAC SC is a competitive swim club with approximately 130 competitive swimmers across 5 dynamic squads. We are an athlete centred club, which is coach led and supported by an engaged club committee together with dedicated volunteers. The swimming club has supported hundreds of young swimmers in achieving their goals in and out of the pool. We have a rich and proud history of sporting achievement. Our swimmers have graced regional, national, international and Paralympic stage.

We are seeking a candidate with a track record of coaching young swimmers to success. You will join our experienced swimming coaches in supporting and guiding our talented athletes across multiple squads. The position is an opportunity for the successful candidate to step into a lead coach role within one of our squads. It also presents an opportunity to collaborate with a team of experienced coaches, which provides an excellent prospect for professional growth and development. The squads train across Monday to Friday evenings and Tuesday, Wednesday and Saturday mornings.

### **The Candidate:**

- Passionate swimming coach, interesting in supporting athletes to reach their potential.
- Be a positive role model, creating programs to encourage and motivate in a vibrant swim environment.
- Have an in depth understanding of child safeguarding requirements and best safeguarding practices.
- An ability to evaluate sessions and give constructive feedback to coaches and swimmers.
- Strength and Condition qualifications and experience an advantage
- Have strong leadership and communication skills.

### **Qualifications:**

- Swim Ireland (SI) Level 2 Swimming Coach (or equivalent). Level 3 qualification (or equivalent) preferred.
- SI or Sports Ireland Safeguarding Level 1 certificate.
- Certified: Garda vetted with valid Swim Ireland credentials and licence.

**Remuneration:**

You will earn a competitive hourly rate that reflects your expertise, dedication and experience.
