- ALL volunteers who work/help at Swim Ireland events are advised to read the Swim Ireland Safety Statement which is available upon request from the Office.

Clubs

- All Clubs should obtain and read a copy of the Safety Statement of the pool they are hiring.
- It is recommended that clubs identify risks and formally report them in writing to the relevant personnel at the facility.

All Meets

(Club, Regional and National)

- Following a meet at which an incident/accident occurred, the Organiser and Race Referee must complete a Meet Accident Report Form and include their contact details.
- All who attend meets are urged to report any accidents to either the Meet Organiser who immediately reports to the Race Referee or to the Referee directly. Where an accident occurs, Swim Ireland must be informed as soon as possible with a full report presented.
- "Safety at Swim Meets" must be included in all Programmes for all Meets run under Swim Ireland rules. It must also be read out at the start of every session with emphasis placed on item 3 above.
- Officials should be advised by the Race Referee to report any concerns they have over possible risks at the facility and to ensure that reporting procedures are followed.
- Under World Aquatics Law the Referee is in total control of all persons attending the meet and the Referee should take all reasonable steps to ensure their safety.

Safety at Swim Meets

All accidents, however minor must be reported, in writing, to Swim Ireland.

We would ask the co-operation of athletes, coaches, spectators and clubs in the application of the following safety measures. They are in place for everyone's safety.

- In the event of a false start, athletes should perform a safe entry and not fall into the water.

Warm-Up

- Athletes and coaches must ensure that they (and athletes in their charge) take no action that would endanger themselves or others.
- The instructions of those in authority must be obeyed immediately.
- Athletes are not permitted to dive or jump into lanes other than sprint lanes and then only when the area is sufficiently clear to make a safe entry.
- Do not start sprinting in a sprint lane until non-sprinting athletes have cleared it.
- On finishing a sprint immediately clear the way for the following athlete(s).

Around the Pool (e.g. spectator area, foyer area, etc.)

- Athletes are not permitted to enter dry areas without first having changed and put on footwear.
