

2026 EUROPEAN AQUATICS CHAMPIONSHIPS

10th -16th Aug Paris, France

SELECTION POLICY (Diving)

Introduction

This Policy provides two avenues by which an athlete can be selected to the Ireland National Team ("Ireland National Team") for the 2026 European Aquatics Championships (Diving). In all circumstances, an athlete is selected to the Ireland National Team for the 2026 European Aquatics Championships (Diving) and not selected to a specific event. These avenues are described in further detail below

This Policy will only apply if the 2026 European Aquatics Championships (Diving) are held on the existing dates of 10th-16th Aug and/or are held in the existing location of Paris, France.

This Selection Policy sets out the Swim Ireland process for selecting athletes, additional coaches and/or team managers to:

- (a) be considered eligible for nomination for selection;*
- (b) be nominated for selection and;*
- (c) be selected to the Ireland National Team for Diving at the 2026 European Aquatics Championships (Diving)*

Athletes, additional coaches, sports science/sports medicine practitioners and team managers must satisfy certain criteria to be considered eligible for nomination for selection

In addition to the criteria for eligibility for selection, there are minimum qualification standards which an athlete needs to meet to be considered for selection by the National Selection Panel. At the completion of the "Selection Stages", for those athletes selected to one or more National Team/s, the following priority tiering system will be intrinsic to athletes and home programme coach planning, preparation and focus with regard to summer international benchmark meet status:

- 1. 2026 European Aquatics Championships*
- 2. 2026 World Aquatics Recognised Meets*

Where an athlete is selected to more than one National Team from within the two listed above, the priority tiering status should be considered in terms of preparation and focus

The role of the National Performance Director is to compile the names of athletes, additional coaches, sports science/sports medicine practitioners and team managers who meet the criteria for nomination for selection and to make recommendations to the National Selection Panel (athletes) and the Diving Leadership Team (additional coaches, sports science/sports medicine practitioners and team managers)

The National Selection Panel is the expert panel, as defined in the 'Swim Ireland Selection Panel Terms of Reference' which selects athletes to the Ireland National Team

The Diving Leadership Team comprises of the National Performance Director, the National Head Coach (Diving), the Performance Manager, the Head of Sport Science & Sports Medicine and is the expert group which selects additional coaches, team managers and sports science/sports medicine practitioners to the Irish Team

European Aquatics is the international federation/governing body administering international competition in aquatic sports
