Case Study

Minnows squad (aged 9 – 11) parent reports items taken from their athlete's bag during the session.

Following day, Stingray squad (aged 12 – 14) parent reports, similar occurrence, items taken from athlete's bag.

To note:

- Squads are separate – no crossover of athletes
- Sessions on at the same time, different days
- Both bags left in a cubicle in changing area
- Facility open to public during sessions

Youth Development

Case Study

Discuss:

1. Identify the stakeholders involved and what do you tell them?
2. What measures might you take to reduce risk?
3. What follow up might be necessary
4. Closing the issue?
